Subject: More fact sheet concerns
Attachments: RAD_DataUpdate_FactSheet 3_Jan2018_InternalDistributionOnly.pdf

p. 4, column 1: The fact sheet says "Independent Verification and Oversight: The U.S. EPA is conducting independent review of the HPNS radiological findings to validate the Navy's results." This makes it sound as our purpose is to confirm that the Navy's results are correct. We have gone on record disagreeing with the Navy's results. Please delete "Verification" and "validate." This language misleads the public.
